

## *Lipo-Trim Sublingual Spray* *“Skinny Spray”*

Lipo-Trim SL, Total volume: 30ml

Number of doses \*: 30

Total Dose, 1mL: 6 Sprays

### *Great Adjunct to the Lipo-Mino Skinny Shots 1-2 times per week*

**L-Carnitine (100mg):** The main function of L-Carnitine is to convert lipids, or fats, into fuel for energy. L-carnitine aids in the movement of fatty acids into the cells, essential to provide energy for every cell in the body.

**Methylcobalamin-B12 (1000mcg):** Helps the body maintain a healthy nervous system, produces hemoglobin that carries oxygen in red blood cells throughout the body, aids in providing energy from the food that we eat, works to balance blood sugar levels, acts as a natural painkiller, boosts mood and also enhances immunity by increasing the synthesis of antibodies used to protect the body

**L-Leucine (10mg):** Amino acid that aids in protein synthesis, tissue regeneration and metabolism.

**L-Arginine (60mg):** Amino Acid also responsible for production of proteins. Boost collagen production, aids in cardiovascular health because of it's ability to synthesize nitric oxide.

**Methionine (2mg):** Protein-based amino acid essential for muscle growth and energy. It also helps preserve artery function, maintain healthy nails, hair, and skin, break down fat, and remove heavy metals from the body.

**Inositol (25mg):** Used to lower cholesterol and triglyceride levels in the body. Inositol is also be used to improve circulation, prevent hair loss, nourish the brain, and facilitate the conversion of nutrients to energy.

**Choline (35mg):** Important for liver function, also helps to remove toxins, and prevent fat from accumulating in the liver.

**Betaine – 5mg, Vitamin B1 -0.75mg and Folic Acid -80 mcg**

In a proprietary blend of African Mango Extract, Green Coffee Bean Extract and Raspberry Ketone

Increases metabolism to burn fat  
Accelerates oxidation of fats for ATP creation
